## News Release

### Liquid Controls, LLC, Introduces New Line of LCMag Electromagnetic Flow Meters with 3A Certification for Sanitary Applications

Lake Bluff, IL - Liquid Controls, an industry leader in flow measurement and process control instrumentation for over 45 years, has taken a major step in providing a complete metering solution for the dairy, food and beverage, and other markets requiring sanitary clean-in-place (CIP) meter construction.

Effective June, 1999, the HMS2400 Series LCMag meters are 3A certified (Authorization Number 1034). These 3A certified LCMag meters are available in seven sizes from 1" to 4", and flow rates from 8 to 1,200 gpm.

As a proven leader in the field of flow measurement, our engineering, manufacturing, and application expertise allow us to provide you with a complete integrated solution that works.

Find out more about Liquid Controls' LCMag Meter. Call Liquid Controls today at 1-800-458-5262 or visit our website at [www.lcmeter.com](http://www.lcmeter.com).
